

# Pick Yours Up Today!

## Earth Machine

Home Composting Bin

**\$40.00**

### Features

- Twist top locking lid allows you to control ventilation
- Ventilation slots are large enough to let in oxygen but keep out rodents
- Fastens to the ground by twist pegs - for animal and wind control
- Round design allows unit to be turned/lifted to access pile from any direction
- Compact construction to allow for easy set up and transportation
- Sliding door can be secured to prevent animal entry
- No corners for materials to dry out
- Made of tough high-density polyethylene with UV stabilizers for all season strength and weatherability
- No special tools required or holes to dig for setup - easy snap together assembly
- Black color for maximum solar heat retention
- Proven 10 year track record - close to 2 million in use worldwide
- Ten-year manufacturers' warranty against cracking, deterioration, warping or any other defect that would diminish the effectiveness or appearance of the composter
- 32 page "Home Composting Made Easy" booklet included
